

# The Hodgins Library at Southpointe Academy

Presents

## The Birthday

BOOK CLUB

**Celebrate your son or daughter's birthday in a special way by donating a book to the library in his or her honour.**

Send a cheque for an amount between \$15.00 and \$25.00 (made out to Southpointe Academy and marked "Birthday Book Club") and we will purchase a book for the library in your child's name. On his or her birthday, we will present the book in class and your child will be the first to borrow the book. We do not present birthday books in class to students in the MYP or GYP. These students will receive their birthday book privately and will be the first allowed to borrow it.

Does your child have a summer birthday? We will present books to students with summer birthdays in May.

The book will be inscribed with the name and birthdate of your child as a reminder of your generous support of our library. In later years, the children love to come across a book that was donated to celebrate their birthday. However, if your child prefers, the donation can be anonymous.

**Yes! Please purchase a book for the library in honour of my child's birthday.**

Student's Name:

Homeroom:

Birthdate:

**Please CIRCLE one option below:**

Please purchase a book in this special area of interest.

**Or**

Please purchase a book specific to the IB PYP Program.

(You can also list favourite authors / series to assist in the purchase of the book.)

(A comprehensive list of titles is available for viewing in the library. Just ask Mrs. Levitt.)
